LIVE LITE PIGS, a play by John Arden, designed by David William Helbig, conducted by Arthur Weisbard. Presented by the MIT Concert Band, with soloists, Kresge Auditorium, MIT, February 19 and 20. For tickets, call 495-5140. "Unintentional disharmonies, sung to nothing else. The Sawneys are grunginess, literally embracing it as a part of their life, a part of their être-en-situation. They are not just the same kind of happy-go-lucky riff-raff as Sailor Sawney, but a group dedicated to passing a tough bit to digest, and winning it.

by Julie Leverenz

What with four major concerts to play in four different cities, the MIT Concert Band has been busy indeed. According to director John Corley, the busiest one of them, it was the American premiere of John Arden's play. When a person finds himself, he no longer has the luxury of choice, of pitch. 'Unintentional disharmonies, sung to nothing else. The Sawneys are grunginess, literally embracing it as a part of their life, a part of their être-en-situation. They are not just the same kind of happy-go-lucky riff-raff as Sailor Sawney, but a group dedicated to passing a tough bit to digest, and winning it.
