YOUTH ISN'T WASTED ON THE YOUNG

And to prove it—this album—"THE DICK WILLIAMS' KIDS SING FOR BIG PEOPLE." Twelve great standards sung by kids and supported by lush strings and drivin' brass. It swings! It's exciting! It's unlike any album you've ever heard. And chances are, you'll write us a love letter about it!

A NEW PROGRAM OF INTEREST TO MEN

It isn't easy to become an officer in the United States Army. Only the best young men are selected. The training and course of study are demanding. But if you can qualify—and you should find out if you can—you will receive training which will put you a step ahead of other college graduates. Army ROTC training will give you experience that most college graduates do not get—in leading and managing other men, in organizational techniques, in self-discipline and in speaking on your feet. This kind of experience will pay off in everything you do for years after you've left the Army.
