Swimming championships set

By Neal Gilman

The MIT men's swimming team ended their season last week with victories over both Yale and Harvard and will be one of the strongest teams in the nation. Last year the men's team finished 7th in NESCAC, with this year's team finishing 3rd. The team's success is due to the strong leadership of President Kennedy. Bob Kiphuth, the swimming coach, has been a major contributor to the success of the team's men's swimming program.

By Dave Channahon

Springfield's powerful wrestling team topped the field of 16 teams in the nineteenth annual New England Interscholastic Wrestling Association championships held last Friday and Saturday at the University of Massachusetts.

Bob Wells '65 was the top MIT entry with a second place finish in the 157-pound class. In the single elimination tournament, Wells was defeated by outscoring John Wilson of Wakefield. He advanced to the finals by outscoring John Minnaert, the tournament's only pinned entry, with a score of 15-0. The finals took place Saturday night at Springfield's Dale Winter.

In the heavyweight division Dick Nygren '65 gained a win over Massachusetts in the semifinals. That's as far as he could go as he lost to MIT's Morti in a match at 285 pounds. Their match was watched by a packed crowd and ended with a score of 6-0 for MIT.
