Nothing can take the press out of Lee-Prést slacks

Not that it's on his mind right now. And it needn't be. Those Lee-Prést Leasures can't help but stay crisp and neat. No matter what you put them through. They have a new permanent press. So the crease stays crisp and neat. No matter what you touch-ups, either. They're made from Lee's special blend of 50% polyester and 50% combed cotton. For wash and wear... with conviction. But they're necessary, but it's a great way to spend an evening. From $5.98 to $7.98.
