The diet and the hours you can afford savings bank life insurance and get the cordless REMINGTON® LEKTRONIC II. The diet and the hours you can’t do much about.

Pay a bit more and get the cordless REMINGTON® LEKTRONIC II. The diet and the hours you can’t do much about.

The LEKTRONIC II puts a different complexion on shaving. 4 tiny rollers on top of the big shaver head protect like bumpers. Make sure you get in close, but not too close for comfort.

Once you’re there, 348 cutting edges take over. They’re honed from surgical high-carbon steel, so things never get dull.

Behind the scenes, there’s the most powerful motor in electric shaving. Works on rechargeable energy cells without a cord (also works in a cord, if you forget to recharge). Frees you to shave when you want. Where you want. And there’s no slowdown around tricky neck or chin areas.

Get yourself the cordless REMINGTON LEKTRONIC II Shaver. It’ll give your skin a fighting chance.

Crazy diet, ridiculous hours and shaving. Your skin doesn’t stand much of a chance against them.

The MIT graduate crew avenged a previous defeat by the Dartmouth lightweights with a smashing victory last Saturday, May 1, at Harvard. The race was held over a 2,000-meter course on the choppy waters of the Connecticut river.

Off to a fine start against a strong headwind, the grads took an immediate four-seat advantage over Dartmouth and Tech’s second grad crew. Using short last strokes, a technique develop-

Dartmouth made a determined bid to close the gap, but the MIT first shell sprinted at 38 over the last 300 meters and pulled away to a 4 1/2 length victory. Unable to match Dartmouth in the long sprint, Tech’s second boat finished third.

The Rosenblith String Quartet of Indianapolis will perform for the first time in the East May 30 at 5 pm in Kresge Auditorium Little Theatre.
