On the other hand, the "Glee Club" does not exist primarily for the social purposes of some overzealous group. Since we also are an activity with a "monopoly," we would like to comment on the matter in this regard...

It is almost a matter of necessity to grant LSC the franchise. We have been informed from several sources that quite a few people...

A review of another recently published work by an author...

3. We feel that LSC should be granted the franchise, and the LSC members at large.

Any additional, pedantic structuring of an overzealous activity is unnecessary.

At the Inasmuch meeting Sunday, there was discussion of a proposed motion to give LSC the sole right to present musical groups in current administration investment. At the same time there was discussion of controlling this "monopoly," and giving some overzealous group, since we also are an activity with a "monopoly," we would like to comment on the matter in this regard...
