Sloan alumni convocation set for October 10-12

The 1965 convocation of alumni of the Sloan Fellowship Program at the Alfred P. Sloan School of Management is scheduled for October 10-12. More than 400 former Sloan Fellows will return to the convocation which marks the opening of the new $3 million Grover M. Hermann Building adjacent to the present Sloan Building which will provide new facilities for research in management and the school sciences.

Through a grant from Grover M. Hermann, chairman of the Martin-Marietta Corp., a grant from Alfred P. Sloan, honorary chairman of the General Motors Corp., and a grant from the National Science Foundation, construction of the Hermann Building was made possible.

Mr. Sloan, an 1895 graduate of MIT, has been a benefactor of the Institute for many years. He was a leader in beginning the Sloan Fellowship Program, which gives young executives in mid-career an opportunity to spend a year in graduate management study. — The 1965 graduate executive development program in the Sloan School is a major U.S. management school.

Theme of the convocation this year will be "Management of Change in a Dynamic Society."

According to Dr. Peter Gil, Director of the Sloan Fellowship Program, "The Sloan Fellowship Program, "... the basic task of the executive in the management of change itself. The Sloan convocation will be concerned with a deeper understanding of such changes and with the adaptive, integrative skills that the executive requires to lead his organization in the evolving environment."

The Program Schedule

Sunday, Oct. 10—Registration, inspection of the Hermann Building and a reception.

Monday morning, Oct. 11—An opening address by President John A. Whiton. Also a discussion by Dr. Charles H. Townes, President of the International Society for Optical Engineering, and an address by Mr. Watson M. Hermann, chairman of the General Motors Corp., and a grant from the National Science Foundation.

Monday afternoon—Presentations will include a paper on power and industry relations by Prof. Elting Morison and a discussion of economic problems of growth by Prof. Sidney Alexander. The afternoon session will conclude with an address by Mr. Watson M. Hermann, Jr., Chairman of the MIT Corporation.

Monday evening—The annual convocation banquet will be held at the Kenmore Square Hotel, this year being held in honor of Mr. Sloan, with an address by Dr. James R. Killian, Jr., Chairman of the MIT Corporation.

Tuesday—30 different seminars on subjects ranging from computer-aided policy management to labor relations, from business law, each Sloan Fellow will have the opportunity to attend three during the day.
