Soccer team outscored by Trinity, WPI

By Bob Sullivan

Trinity lived up to its reputation of having one of the two best soccer teams in New England as it defeated the Tech squad 6-3 on Saturday, October 2. Tech trailed 1-0 until the final quarter when three Tech goals in succession brought the fans to their feet. The Tech rally was short-lived, however, as Trinity scored three more goals before the final gun.

Captain Savit Bhotiwihok '66 scored the other two.

In the first half, the game was played with standard W and M formations. Trinity prevailed to be the season's toughest game and knowing this, the coach pulled a real switch. The most experienced players had been playing defense since the beginning of the season but needed a full five men strong enough for a really aggressive offense, the coach completely reversed the situation. This put experienced players like Whitehead and Alina on the offensive line.

Trinity too balanced

The plan wasn't enough. It looked like Trinity just didn't have weak spots. Their passing was short, accurate, and controlled. The Tech defense was not strong enough for a 4-2-4 formation but needed a full five men playing back. As a result, Saturday's game was played with standard W and M formations.

Grad crew still needs coxswain

The first event of the year for the Graduate Students Crew will be the Head of the River Race on October 31. As of now, the Grad crew is without a regular, identified MIT soccerman, and any interested hopefuls should contact Charles Batterman at 73-4066. Any help from experienced rowers will be welcome, too.
