I take courses that will help him keep up with the academic traditions, designed for both experienced and new engineers. The objectives and educational philosophy of this Program are in the best interests of the engineering Training Program. The objectives and educational philosophy of this Program are in the best interests of both individual and team development. More than 300 spectates crammed the wrestling room to cheer on the visiting team.

College rules enforced

The tournament will be run strictly according to college rules, except for the length of the matches. The matches will consist of three one-minute periods, except for the finals, which will be two three-minute periods. Determination of winners will be on a modified double-elimination system. A wrestler who loses a preliminary match is out of contention for first or second, but if the man who defeats him continues to win, the lower will be given a spot in the consolation and a chance for third or fourth. Competition will be held in nine normal collegiate weight classes, 122, 139, 152, 160, 165, 171, and heavyweight. Weights will be held in the training room in DuPont from 8:00 a.m. to 12:00 noon.

Finals on Saturday
Matches through the championship semi-finals and the consolation quarter-finals will be held Friday beginning at 5:00 p.m. and the rest will be held Saturday afternoon beginning at 1:00. Intercollegiate managers Brook Lans, Dave Schramm, Norm Hawkins, and John Fishbein encourage all interested Techmen to turn out and hope for a huge crowd to continue the solid support given the sport.

Graduation was only the beginning of Jim Brown's education.

Because he joined Western Electric

This training, together with formal college engineering studies, has given Jim the ability to develop his talents to the fullest extent. His present responsibilities include the solution of engineering problems in the manufacture of moly-permalloy core rings, a component used to improve the quality of voice transmission.

If you set the highest standards for yourself, only a challenge will do. We're looking for — we want to talk to you! Opportunities exist now for electrical, mechanical and industrial engineers, and for physical science, liberal arts and business majors. For more information write: the Western Electric Career Opportunities booklet from your Placement Officer. And be sure to arrange for an interview when the National Recruiting team visits your campus.

The Largest Stock of Fine Men's Shoes in Metropolitan Boston

Featuring: Florsheim, Pediwin, Hush Puppies, Acme Boots from $8.98 to $24.95 Sizes 5 to 13 Widths A to EE
We also feature baby shoes for children and a complete line of shoes for women.

Netmen compete in ECAC meet at Princeton; Dick Chandler sole Techman to win match

By Aren Vartesian

The MIT varsity netmen traveled to Princeton, N.J., last Saturday to compete in the annual Eastern Collegiate Athletic Association tournament. Among other schools competing with Tech and Princeton were Cornell, Yale, Georgetown, Dartmouth, Army, Navy and Harvard.

Chandler only win

In the first round, No. 1 singles Dick Chandler '66 scored Tech's only victory as he came from behind in a hotly contested match to defeat Brian Turt of Connecticut College 6-2, 6-2. Chandler lost to Mark Wetzel of Yale in the second round 6-2, 6-0.

The Harvard Crimson got beyond the first round were Charles Therber '67 and Capt. Paul Bailey '66, third and fourth singles respectively. Bailey, after crashing a bye in the first round, was defeated in the first round by New England's No. 2 Navy doubles team, but put up a hard fight against the visitors. Gerry Banner '68 had his birdied the 19th with a 25 foot putt to nobly to his third straight year by shooting an 81. Scoring matters ended here for the visitors. Gerry Banner '68 had doubles with his driver during his match which he lost 4 and 3. In spite of turning in the low round for the engineers, Ben Rosch, '66 was subdued on the final hole. Tom James '66 and Tom Sharot '67 could not come with their powerful bats.

The golfers return to familiar AND set as they host Brandeis in a return match at Oakley Country Club. Coach Merriman's team will be trying to even its record at 5-2.
