TCA secretary chosen

Miss Nancy Salvo, new TCA secretary, has been working in the TCA office for little over a month. In addition to her purely secretarial work, she assists with most of TCA's functions, such as the APO Elbow Drive, the TCA Charter Drive, and the running of duplication facilities.

In her short time here, Miss Salvo has become extremely impressed with friendliness and helpfulness of the students, and with the facilities of the new office in the Student Building.

Miss Salvo is from Garden City, Long Island, New York. She came to TCA after working at the New York World's Fair and graduating from Mount Ida Junior College in Newton Center.
