Stunt features "caper" Voo Doo goes "ape" in Great Court

By Tom Roma
Voo Doo soared to new heights on Friday as several copies of the slightly gross publication were carried aloft in a helicopter by a half-crazed gorilla.

Voo Doo's first publication this year was The Foreign Student Office, as one of the specialized offices the Institute's admisstrators tried to assist prospective applicants to MIT and later on when foreign students are actually enrolled in the Institute, to orient them as best it can in the many problems peculiar to them because of their foreign citizenship.

The deadline for events of the week of November 1-7 is today, Wednesday, October 20.

Meetings and events may be included in this article and in the MIT Student Bulletin by filling out the application form in Mr. Jim Murphy's office in the Student Center at least 12 days in advance of the week the event is to occur.
