A story behind these signs, with a scope which is not merely national but which encompasses the globe. Servas, originally conceived, makes available a list of families who have volunteered to be hosts to tourists. The lists are quite comprehensive and include occupation, interests, languages spoken and a phone number. Contacting the host is left to the individual, and frequently a call from the bus station suffices.

To be accepted as a Servas Traveller one should contact the secretary, Miss Ellen Miller, 189 Hamilton Street, Cambridge; her phone is 915-885. There are Servas families in England, France, Germany, the Scandinavian countries, India, and Africa.

The Concert Band, which concluded this year’s annual inter-session concert tour at New York City’s Town Hall, has scheduled three concerts for the remainder of the spring term. It will visit Mt. Holyoke College, April 15. The band will journey to Portsmouth, New Hampshire, April 24, and will perform May 16, in the annual Spring Festival of Music at MIT.
