Scheduled for Monday

Peace Corps test to be given

MIT students will have an opportunity to take the Peace Corps Placement Test on campus April 19. It will be given at the Placement Bureau, E22-LG, at 2 p.m.

The Peace Corps needs 10,500 new volunteers to enter training between now and next fall for service in 48 developing nations of Latin America, Africa, and Asia. The Placement Test is designed to help the Peace Corps match applicants' special abilities with the 300 different kinds of jobs to be filled. If the test indicates a limited language-learning ability, the Peace Corps tries to place the applicant in an English-speaking country.

The application form (Volunteer Questionnaire), rather than the Placement Test, is the most important factor in the selection of Volunteers. Students or others available for service or advance training within the next year must fill out a Volunteer Questionnaire before taking the test. The Questionnaire, which is submitted to thetester, can be obtained in advance from the Placement Bureau.

Anyone interested in taking the April 19 test can contact Miss Houses at X3205.
