**Members of the Student Center Committee will be attending the annual conference of the Region I (New England) Association of Student Unions. The three day conference will be held at URI in Kingston, Rhode Island.**

---

**The meeting was divided into two sections, one consisting of APO chapters in Maine, New Hampshire, eastern Massachusetts and Rhode Island, and the other chapters in Connecticut, Western Massachusetts and Rhode Island. The reason for the split is to enable the sectional vice president to oversee the chapters under him more thoroughly, and thus do a better job.**

---

**After lunch discussion groups were held; topics for consideration included recruitment, fund raising, forming new chapters and service to scouting. Of the latter it was felt that service may be accomplished on the council and district levels. Services to an individual unit is undesirable because involvement should be a continuous thing, but chapters at least annually during the school year, continually last other the summer months.**
