Managers discuss budgets

By Tony Lima

At the meeting of the varsity managers' council held last week, several items on the agenda were discussed. The first item was to approve the council's budget for the upcoming season. The budget was presented by the council president, who outlined the various expenses and revenues anticipated for the year. The council voted to approve the budget, subject to ratification by the Athletics Committee.

The second item discussed was the appointment of the managers for the upcoming season. The council agreed to recommend the following managers: Scott Smith for football, Mary Johnson for basketball, and David Kim for baseball. These recommendations will be presented to the Athletics Committee for final approval.

The third item on the agenda was the scheduling of the varsity teams' games. The council discussed the proposed schedule and made some minor adjustments to ensure that the teams would have a balanced workload throughout the season. The revised schedule was approved by the council.

The meeting concluded with the council President expressing gratitude to all council members for their hard work and dedication.

Passel, Levensold win in trophy bridge match

Last week's duplicate bridge game—a special trophy match—was played in MIT's cafeteria. Winners of the first round were Jeff Passel '69 and Ken Levensold '69, who scored the highest points in the tournament. In the final round, they faced off against Brian Pearson '68 and John Hrones '69. After a close contest, Passel and Levensold emerged victorious, winning by one point.
