Lincoln Lab director named

By Karen Wettel

Dr. Milton Clauser of Arlington, Virginia, has been appointed director of Lincoln Laboratory, C. Robert Wieser of Belmont, Massachusetts was named as deputy director.

Clauser and Mr. Wieser the request of the Department of "Under the leadership of Dr. Virginia has been appointed director of Lincoln Laboratory. C. Massachusetts was named as deputy director since its inception in 1951. In addition we look forward to the development of stronger ties between Lincoln Laboratory and the academic programs at the institute."

Applications of electronics Established in 1951 by MIT at the request of the Department of Defense, Lincoln Laboratory is primarily interested in electronics, with emphasis on applications to national defense. Its general research program consists of basic and applied investigations in such areas as solid state physics, chemistry and materials, electronics, physics, radio physics, and astronomy.

Mr. Wieser graduated from MIT with SB and SM degrees in electrical engineering. While on the staff of the Digital Computer Laboratory he supervised studies of the Applications of the Whirlwind I computer to air traffic control.

Work at Lincoln Labs He has been associated with Lincoln Laboratories since 1951, when he became head of the School of Electroacoustics at Purdue University. He served as vice president and director of research of The Space Technology Labs., Inc., a subsidiary of the Ramo Wooldridge Corporation and as president and chairman of the Board of the Clauser Technology Corporation, which he organized.

Advisory committees He has served on various scientific advisory committees for the Air Force, the National Advisory Committee for Aeronautics, and the President's Scientific Advisory Committee.

Meet the only man at M.I.T. with 139 jets.

Jeffrey Silverman

TWA Campus Representative

He's the guy to know when it comes to travel. TWA specially trained him to make it easy for you to go places in the U.S. and to Europe, Africa and Asia. He's the man to see for TWA 70/50 Club cards—you can get 'em right on the spot. Working with your local travel agent, he can help you with travel plans, tours, schedules, fares, ticket arrangements—right on campus.

Easy! Just call Jeff at 232-3258. Tell him where you want to go—and he'll warm up a jet.

Welcome to the world of Trans World Airlines

Dick's stubble makes him look so beatnik—ugh!

Give him me! I'll make him a neatnik quick! slick! and not a nick!

The Norelco "Flip-Top" Speedshaver 20— COMES WITH THE LUCK. Her shaving close, yet comfortable, can't help but give her a shave that's delightful and flip-top cleaning is flip-top Price? $2.98. Zowie, is there any sweeter deal than a cashmere sweater?
