**A growing company to grow with...**

If you’re a student working toward a degree listed below and you're looking for a Full-time, Part-time or Summer position—one that will give you as much challenge as you’re ready for, Photocircuits is the answer.

We’re a young company—young in years—young in thinking, but our record's impressive and we’re growing fast. We're not only pioneers in the field of printed circuitry, but other sophisticated electronic products as well.

As to the future—we’re limited only by our imagination—a Full-time, Part-time or Summer position—one that will give you as much challenge as you’re ready for, Photocircuits is the answer.
