MIT's varsity squash team lost a strong Amherst squad Wednesday night at DuPont and were defeated 5-1. Seven of the matches were decided by 3-0 scores, and the remaining two by 3-1 totals. Captains "Chye" Tantivit '67, the number one man, and Ken Wong '68, number two man, were the only Techmen to play four games. Ken beat Steve Hamnes '3, but Ken lost to Perry Pickert, 3-1. Ken's match was marked by many long rallies and also numerous excellent returns for both contestants. Perry just eeked out a victory in the first game, 18-16. Ken took him in the second, 15-7, and appeared to have the third in hand, when he fell going for the ball and lost control of his game. Perry came back to win the third game, 15-6, and the fourth, 15-11. Chye's opponent, Steve Hamnes, tried to best Chye by tiring him out. He kept making Chye run up and back into both corners, but it was doing no good. Chye took the first game, 18-17, and the second, 15-12. Chye was beginning to tire in the third game, as Steve won, 15-11. But after a five-minute break, Chye came back strong. Despite many lets called by Hamnes, Chye kept control of the game. At one point Chye was leading 15-4 and Hamnes called a foot-fault and two lets in a row. But Chye had too much, winning the final game, 15-7.
