Stan Humphreys, Bill Zimmerman write and direct Tech Show '67

by Ronald Bohm

This week's spotlight falls on two men whose financial poten-
tial will be self-evident by their contribu-
tions to "Lucky William," Tech Show '67.

Stan Humphreys

Stan Humphreys, a sophomore in Engineering combi-
ing mechanical engineering and architecture. He spent last summer with the Te-

A Direction of Drama Shop run by John D. Loudermilk, who described his piece as a real "trip"
