Racketmen fall twice; Yale, Wesleyan victors

By Roger Dear

MIT's varsity squash team completed the 1966-67 season last weekend on a low note, bowing to Yale Friday night and to Wesleyan Saturday afternoon. The Yale contest was decided by 34, while Wesleyan won 8-1. Against Yale, a very strong team, the Techmen weren't able to win a single game, as all contests were decided by 14 scores.

Captain Clay Tannone '68, the number one Techman, lost to Roy Godfrey, 15-12, 15-12, 15-6. Ken Wong '68, playing in the number three position, bowed to Sid Crowley, 13-4, 13-11, 13-5. The Wesleyan match was a little closer. Wesleyan won two matches by 3-2 scores, three by 3-1, and one by 3-2. Winning for MIT were Ken Wong, Bob Melancon '69, playing in the number one position, and Geoffrey Hallock '69. Two matches were played in the number seven position, as all contests were won by 15-8. Ken Godfrey, 15-12, 15-12, 15-8. Ken just managed to win the third game, 13-14, and after a break, Godfrey overwhelmed Orrin in the final two games, 15-12, 15-8.

PRESENTING CONVAIR...

A Great Name in Aerospace

CONVAIR DIVISION

San Diego, California

An Equal Opportunity Employer

systems, systems analysis, space sciences, life sciences, information sciences, scientile data processing, aerosciences, dynamics, thermodynamics, guidance, structures, mechanical design, electrical design, reliability, test engineering, and materials research.

Special Features and Attractions

Convair offers outstanding fringe benefits including an Employee Savings and Stock Investment Plan to which the Company contributes as well as a Retirement Plan and Tuition Assistance Programs. Convair engineers can select from many company-sponsored educational assistance programs and determine for themselves which best suit their particular requirements. These programs, held in conjunction with highly rated local colleges and universities, include a tuition-refund plan, an irregular work week to permit college attendance, an advanced degree work-study program, special courses and seminars, and Doctoral Fellowships, among others.

One of the nice things about working at Convair is living in San Diego...one of the country's truly great resort centers. With only 10 degrees difference between January and July highs, the sunny San Diego climate is pleasant throughout the year.

Two great bays and 70 miles of ocean beaches provide an abundance of year round sports and fishing. Exciting Mexico is just a few miles away. Nearby mountains, a world-famous zoo, and a marine park add to the fun...plus 64 golf courses for your year round play. San Diego is an ideal family city with excellent schools. As the country's 16th largest city, San Diego offers the best in cultural attractions, performing arts, professional sports, and other entertainment.
