Grading Engineers!

To accommodate those who have been unable to investigate the many career development opportunities available at Hughes Aerospace Divisions, additional interviews will be conducted on April 6.

If you would like to work on some of the world's most stimulating advanced aerospace/electronics programs—and enjoy the educational, cultural and recreational advantages of Southern California living, contact your Placement Office to arrange for an appointment with the Hughes Technical Staff Representatives.

Admissions Free: Everyone is welcome.

Christian Science Lecture

3:00 p.m.—Saturday, April 1
Harvard Sq. Theatre, Cambridge
Sponsored by First Church of Christ, Scientist, Cambridge

Admissions Free: Everyone is welcome.
