McManus, a medalist as golfers win

By Steve Winsor
The varsity golfers notched their fourth victory of the spring campaign in sweeping Norwich 5-2.

The contest was originally suppose to be a triangular meet including Harvard, but the Crimson had to reschedule part of a rain-drenched weekend tournament. In addition, Norwich lost its sixth and seven men somewhere on the way to Oakley Country Club, so Coach Merriman’s crew won two of the matches on the first tee.

In the wind and rain, they managed to take three of the remaining duals. Gerry Banner ‘68 started off with a respectable 76 which he followed up with an 80 victory终于 shooting an 85. Curt Everett ‘69 turned in an 84 and dropped his match on the seventeenth hole. Tom Thomas ‘69 needed a pair on the final green to salvage his five for 2 up.

Greg Rasit ‘68 fired an 84 but lost his contest 3 and 2. The best student golfer in the last few weeks has been Mike McManus ’90, who came again was medalist for the hosts with a 76.

New England today The five men mentioned will be shopping in the New England’s this afternoon. They will be competing against thirty schools on an enormous course in Providence, R. I. After that, the squad takes on Brooklyn Polytechnic and WPI in a triangular meet and will try to replete the Harvard contest to end the season.

Looking to the fall, prospects appear great. Captain Travis Garvall ’71 is the only graduating senior, while four of the five juniors are only sophomores. Even if Coach Merriman’s team doesn’t bring home any trophy this weekend, it has two more years to capture it.

I am only having my little joke. The makers of Personna have not walled me in, for they are good and true and gleaming and constant. And always shave with good Personna!

And so, to close the year, I give you one last mnemonic:

But I digress. We were discussing mnemonics, which are nothing more than aids to memory—the name of a horse or the name of a boat, for example:

Columbus sailed the ocean blue
In seventeen hundred ninety two
See how simple? Make it your own jingle. What, for instance, came after Columbus’s discovery of America?

The Boston Tea Party, my dear. Try this one:

Samuel Adams saw the tea
And promptly gave the British tar a beating

(NOTE: The Zuyder Zee was located in Boston Harbor

Into the briny Zuyder Zee.

See how simple? Make up your own jingles. What, for instance, came after Columbus’s discovery of America?

Into the Zuyder Zee, my dears.

But I digress. Let’s get back to mnemonics. Like this:

Personna Blades make shaving heaven

I mention Personna because the makers of Personna Super Stainless Steel Blades are the sponsors of this column. If I may get a little minds out of the way, the final column of the school year may say it has been a pleasure working for you. May I say further that it has been an overall pleasure working for you, the undergrads of the past year, and many more.

The makers of Personna, after I missed several deadlines, mailed me a little test drive. I have no doors or windows—only a small slot. I slip the columns out, they slip in Personna and much foot can as go through a small slot. (For the past six months I’ve been living on after dinner mints.)

The tests are different...the makers of Personna Super Stainless Steel Blades have enjoyed bringing you another year of Man’s unencumbered and unhindered columns. We thank you for supporting our products...we wish you back in your exams and in all your other enterprises.
