Rides to mountain

(Continued from Page 2)
to be arranged
on "Oct. 12" board

promised a guitar. The trip up
is "an easy two hours, but those not
in training may take a bit longer."

Joe Edgerdon, who is responsible
for the rebirth of the hike, noted
that both the weather and the
mountains are beautiful around
that time. However, in the case
of heavy rains the event will be
called off. He recalled that it had
been quite successful and "will
therefore be run in the same in-
ternal way."

"OCTOBER 12" board
An "OCTOBER 12" board will
be posted in the lobby of Building
10 on which direction and further
information will be posted. A ride
system will also be arranged on
it. The trip to the mountain is 8$
valles and takes about one and
three-fourths hours.
