Here's the mean one. Honda Scrambler 160. Designed mean and rugged for rough riding, sharp and cool for the campus. Clean, perfectly balanced for easy handling.

Make the scene at any of Honda's 1,000 dealers. Take a safety demonstration ride. Watch for the Scrambler 160. You'll agree it's a mean machine—at a lowdown price.

Infinite Brew
at Skull House
Skuffle and Rock

The traditional SKULL HOUSE SKUFFLE will be open to MIT on October 21 at Phi Kappa Sigma

The only requirement for admission, anytime between 8 and 12, is that the couples arrive either hybrid or pure MIT, and that they be prepared for an "infinitely informal" bash.

This brew blast is a 333 Beacon, behind the SKULL, on the doorsteps, and rocks hard to the sound of the NOMADS.
