The Committee to End the War in Vietnam has submitted its petition to Inscomm. The petition, which calls for the immediate withdrawal of US troops from Vietnam, was presented to UAP Bob Horvitz '68 with just over two hundred fifty signatures. As three hundred eighty-five signatures are needed to bring the issue up for an Inscomm vote, Horvitz said that Inscomm would do nothing about the petition.

Jim Leass '68, of the Committee to End the War, said that the drive for the referendum has objectives other than the obvious one of having the Undergraduate Association take a stand against the war. He emphasized that the drive had served to build up interest in the Committee, and had brought in a number of new members. He also noted that the drive had brought to the attention of the MIT Community a march, sponsored by anti-war groups, on Washington, DC, scheduled for Saturday, October 21.
