In a Friday encounter in which the Worcester Junior College, 4-3. The Tech outhit Worcester in every period, but the outcome was in doubt until the final two minutes when MIT scored the winning goal. The key to the Tech's success was Stan Sheppard, who figured in all of the Tech scoring. The first period was scoreless, even though the Worcester goalie was peppered with 13 shots. Then, in the second period, Worcester drew first blood to take the lead. With only a minute left in the first half, Sheppard recorded his first goal on an assist by Dave Martin Jr. to even the score.

Early in the third period, Worcester scored on a corner kick to regain the lead. But, before the period was ended, Sheppard had again entered the game. At the stroke of the last period, Worcester took the lead once again, but the equalizer quickly followed, as Sheppard booted the ball into the net for his third goal of the afternoon. Frank Manning '70 got his second assist on the play.

Last weekend, seniors Steve Deneroff and Carl Weissgerber competed in the Brandeis Invitational Tennis Tournament and won second place for MIT in a field of fifteen New England colleges.

Deneroff started the first round by defeating Thomas Bass of Bryant College, 6-2, 6-3, despite heavy winds. In the second round he breezed through Bill Hoffman of Merrimack, 6-2, 6-4. Steve's quarter-final opponent, Doug Graville of Brandeis, had defeated Steve 6-0, 6-4, last Wednesday on the same court, but Steve played a consistently strong base line game this time and won in straight sets, 6-3, 6-4.

Carl, after receiving a bye in the first round, had a difficult time with Steve Zashlov of Brandeis, 6-2, 6-0, but advanced to the quarter-finals. However, Carl's game was still not up to his usual standard; he upset 7-5, 6-4, Springfield's number one player, Lee DeSantis.

Sunday morning Deneroff faced top-seeded John Mayotte from Holy Cross in the semi-finals. Steve was defeated 6-3, 6-4, but played his best tennis of the year. Holy Cross captured the team title, one point ahead of MIT.
