**Legislature opposes petition**

(Continued from Page 11)

New constitution delayed

Legislature would have until May, 1968 to act on the petition. If the Legislature rejects the petition, the committee would then have to collect an additional 10,000 signatures an must wait another three years for the question to be placed on the ballot. Even then, the voters could reject the idea at the polls.

To order to collect the number of signatures required, the group hopes to recruit a number of student volunteers from local colls.

**Atmosphere for Achievement**

If you are contemplating a career in aerospace, your next ten years are critical ones. The exposure you get to major projects, the caliber of your associates, the quality and availability of educational institutions for advanced study, and the recognition you get for personal achievements will all count heavily towards building your reputation and income.

At Convair you will find management sensitive to the importance of your personal development and you will work in an atmosphere of achievement side by side with some of the most capable people in our industry-the people who developed Atlas-Centaur and other space age equipment and systems which are making headlines the world over. You will have access to our highly rated colleges and universities for advanced study. Your assignments will be selected from more than one hundred key study and development projects.

A variety of outstanding career opportunities are yours at Convair in the following areas of concentration: aeronautical, electrical, electronic and mechanical engineering; mechanics and engineering physics. Engineers will be assigned to the following areas: advanced systems, systems analysis, space sciences, life sciences, information sciences, scientific data processing, aerodynamics, thermodynamics, guidance, structures, mechanical design, electrical design, reliability, test engineering and materials research.

See your placement officer to arrange a personal on-campus interview with our representatives, or write to:

Mr. J. J. Tannen, Supervisor, Professional Placement and Personnel, Convair Division of General Dynamics, 5826 Kearny Villa Road, San Diego, California 92112.
