Harriers finish perfect season

By Tony Lima

Congratulations are in order to coach Art Farnham, captain Jim Yankaskas '69, and the varsity cross country team, as they brought home the first perfect season the school has seen in 13 years. Yankaskas commented on the team's success, saying, "We were very pleased with this season, which came about through hard work and high enthusiasm. We hope to keep the record going next year."

One senior lost

The harriers stand an excellent chance of doing just that, as they look forward to replacing the services of only one senior, Pat Peckarsky '68, through graduation. Peckarsky has consistently run in the top 15 for 13 years. Yankaskas commented on Peckarsky's departure, saying, "He was a key to the team's success this year has been the high level of enthusiasm. We hope to keep the record going next year."
