A treat is in store for Gilbert and Sullivan fans in the form of "Iolanthe," being presented today and tomorrow in Kresge. The Society's last show, "Trial by Jury," drew rave reviews this term. "Iolanthe" will boast several new familiar faces to past MIT audiences. Sue Waldman's lovely voice is familiar to past MIT society's last show, "Trial by Jury," and "Iolanthe," being presented today.

Mrs. Avram Harman discusses Israeli situation at Hillel lecture

Last Sunday, the MIT Hillel Foundation's 5th Lecture presented Mrs. Avram Harman, Ambassador to the Israeli Legation to the United Nations, speaking on "Israel in the Modern World."

Mrs. Harman stressed the danger presented by responsible Arab leaders beginning to believe their own anti-Israeli propaganda. Contrary to this propaganda, the people of Israel are totally united in the defense of their homes, their freedoms, and their traditions. The morale of their citizen-army is high, and they are the tool of peace in the Near East.

"Oh we have ugly, ugly people on this campus; just look, at the people standing in front of this booth . . . . - a poster worker in the UMVC about to carry out plans to raise money for the American Cancer Society.

'68 Camaro: Accelerates smoother, muffler the road tighter, rides quieter than ever before.

A quiet car speaks for itself.

That's why Chevrolet went about making '68 Camaro smoother, quieter and safer than ever before.

Camaro's famous road-hugging performance has been improved with a refined suspension system. Camaro's big-car ride has been improved, too. Soft rubber cushions snuff out road noise and vibrations. Even Camaro's new 396-cubic-inch V8 is a revelation. Why? Ventilation works for your peace and quiet. Adjustable intake covers, a new instrument panel let outside air circulate without wind or noise. You don't even have to open a window! It all adds up to a silent ride of quality. See for yourself. Put a handled '68 Camaro through its paces at your Chevrolet dealer's.

All these Chevrolet quality features, too:
- Unlined all-welded Body by Fisher.
- Power team choices up to a 396-cubic-inch V8.
- Self-adjusting Safety- Master brakes with dual cylinders.
- An automatic buzzer that reminds you to take your keys with you.
- Proved safety features like the GM-developed energy-absorbing steering column and many new ones that include armrest-shielded door handles.

Introducing a superbly sophisticated line of French grooming aids...worthy of the urbane American male.
