Students support Adolph

(Continued from Page 1) Teacher evaluation survey conducted by Redskirt last year:

"Professor Adolph seems to be an extremely well-prepared teacher who has much skill in the course in social studies. While there were a few answers not so favorably of this class that his opinions and learning will benefit through such questions, there was more than enough (although they considered him to be right 9 out of 10 times) to show that he would benefit from more time teaching them."

Douglass lauds teaching abilities. He told The Tech that he could not reveal specific reasons for this or any other decision not to retain a professor. However, he did discuss some of the general considerations of the Department. Although "very heavy" premium is on teaching - a field in which Adolph excels - both a record of steady, strong contributions to the Department and high-quality publications are essential.

The $2.00 Hangup.

Three psychedelic posters from Eastern. All too colorful to be shown here. All our own design, done in full-blown, far-out color and only $2.00 for the trio. Just fill out the coupon, and we'll send you the posters, post haste. At the same time, you can get the facts on your Eastern Youth Fare Card, that lets you fly anywhere within the continental United States that Eastern flies, on a standby basis, far-half fare.
