You'd develop a talent for making hard-nosed, imagina-
tive decisions. And you'd know how these decisions affect
the guts of the operation. At the grass roots. Because you'd
have to make the call.

If you'd like to be a giant yourself, and your better
ideas are in finance, product engineering, manufacturing,
marketing and sales, personnel administration or systems
research, see the man from Ford when he visits your campus.
