An Equal Opportunity Employer

As long as you're looking into career opportunities, see what they're like with Standard Oil Company (New Jersey) and its 300 worldwide affiliates in oils, chemicals, plastics, cryogenics and minerals.

You can start in just about anything you want — research, engineering, marketing, management — and have lifelong ladders for advancement within your field. From one field to another, intercompany and intracompany, worldwide as well as domestic. And every step, our unique decentralization will help you become known on an individual basis.

We'll give you individual challenges, individual recognition and help you grow fast. Because we'll be staking more money on your success than almost any other company in the world!

Make an appointment with your college placement officer now to see our U.S. affiliate representatives on campus:
Would you like to be with No. 1 Humble Oil & Refining Company supplies more petroleum energy than any other U.S. oil company. We're literally No. 1 — America's Leading Energy Company—with wide-scope career opportunities for people in every discipline, at every degree level. All phases of oil and gas exploration, production, refining, transportation, marketing and management, as well as oil and chemical research.

Humble Oil & Refining Company
