Announcements

- Effective immediately, the following policies will hold for items in this column. The Tech reserves the right not to run a given announcement; (2) to run it on a convenient date; (3) to rewrite or shorten any announcement received. Announcements for events which change as admission will be set as run, but will be given an added chance to run more than once unless another copy of it is received. In general, any announcements which would substitute for a paid advertisement may not be run.
- Effective today, MIT ID's will be required of all who use the Student Center Library. The west lounge will be made available for study spaces beginning May 26.
- Viewpoint-A Forum of International Affairs, will present Lester Hymans on "The Kennedy-John F. Kennedy" today at 12 noon in the Easi Lounge of the Student Center.
- Any juveniles who wish their photographs to appear in next year's Twosome yearbook, or in this year's pictures should take advantage of this offer.
- A special to be held in the Curtis Hotel will be available for a given membership option.
- A special member may be extended through the end of the year, at a reduced rate.
