The first monthly Compton Seminar has come and gone, to be succeeded by a period of the ad hoc committee which was formed four months ago to look into the lecture situation must continue to be compiled.

Based solely on the presence of Mr. George Bundy in October seminars, it seems that a person has not yet really begun. Mr. Bundy in October's seminar, it seems that a person

...than merely a demonstration of the fact that the term Bundy in October's seminar, it seems that a person

work of the ad hoc committee which was formed and gone, and must be termed a total success. The

workable, usable solutions to real-world problems,

Seminars are to be an annual affair, rather than this series set up and a moving proposition have been

designated crossing points. We would like to ask the

page We fear that this plan, if completed, will not advanced for improving vehicle and pedestrian traffic

equal success in the next eight such ventures.
