They do exciting things. Like mining oil instead of pumping it. Working on air pollution. Making electricity from the atom. Isn't that the kind of company you'd like to work for?

We're a petroleum and energy company. But we believe that making our world a better place to live in makes good sense as well as good business. And this kind of thinking demands individuals with ideas and energy. People who can see the potentials—usual and unusual—which our products have for improving the world. People like you. Bring your ideals, and your motivation, where they'll make good things happen. See our interviewers on campus. Or send a resume to: Mr. G. O.
