If your home country is listed here and you're going back after graduation, IBM would like to talk with you February 24th, 25th.

IBM's World Trade Corporation has immediate openings for citizens of these countries in two career areas: Marketing and Computer Applications. We're looking for bright, ambitious graduates to fill these positions. If you're getting a degree and want to return to your home country, we'd like to talk with you.

A career with IBM puts you in the world's fastest growing major industry: information handling and control. You can help our customers put computers to work solving problems in such areas as government, business, medicine and education.
