The Catharine Stratton Collection of original graphics is on display in the Student Center Library through next Wednesday. Represented are many contemporary artists including Miro, Warhol, Calder, and Lichtenstein. Any MIT student may rent one of the seventy prints for one dollar per term. Interested students should fill out one of the preference cards available in the library. Wednesday evening the pieces will be awarded to individuals by lottery and a list of individuals receiving prints will be posted at the library by Thursday morning. The prints can then be collected from the library anytime Thursday or Friday upon presentation of the one dollar rental fee and a $4 deposit. Any pieces which have not been awarded or picked up by 6 pm Friday will then be handed out to interested students on a first-come first-served basis.
