Competitors represented the school in the first track meet. The irregular score of the track meet is due to the degree of civilization and inconsistencies in the track and field of the event.

Williams McLeod '69 ran in an outstanding performance by winning the long jump, triple jump, and 1-mile. McLeod pointed out that he was at his disadvantage in the 220 yard dash, which he won by a large margin. However, he was not at his best in the 400 yard dash.

McLeod was followed by three more tracksters in the last leg of the 4x400 relay.
