The results of this discussion appeared in the Traveller and the issue of the Tech in the form of a short article on page 11 devot-

This suggests to me that the Tech should be more careful in its selection of columns. It also suggests that the column containing discussion should ask someone else to examine the relationship between the Coop's management and management, which is the important issue being

We underranged the wish to young people that we fully support the eight men on trial in Chicago on the trumped-up charge of conspiracy. The Chicago police department's recent

"Nixon: you are a criminally

The minority leader

Traditional leaders, in order to please all factions of the party, a conservative assumes one post (usually Leader) and a moderate or liberal the other. For the first time in many years, however, this custom has been reversed. Both Scott and Griffin are liberal or left-wing.

President Nixon officially endorsed the "Western" plan as the official policy of the Administration, but it was tacitly ac-

THE TECH

Vol. LXXIX, No. 52

September 30, 1969

Editorial: One of the significant aspects of the September 24 meetings at MIT was that there was not — a mass turnout of students. When the first part of the meeting was announced to those closed to students, there was no uproar of protest. When the doors were opened, only a dozen students filed into 10-252. Only 175 out of 340 of the hall, yet Mike Albert and his friends who sought so active-
