Savings Bank Life Insurance is America's lowest cost life insurance for all Ordinary Life, Endowment, and Term Life coverages. That's one reason why.

For example, under the

BBLI 5 year Renewable Term Plan, a man of 40 can buy $25,000 in Savings Bank Life Insurance for less than $100 a year* (at age 25, the cost is less than $57 a year). This makes it pos-sible to provide extra pro-
tection — at lowest cost — at a time when families need it most. In addition, an SBLI 5 year term policy is automatically renewable and convertible to any one of several permanent policies up to age 65, without addi-
tional medical examination.

This assures continuity of protection, no matter what health condition might de-
velop. Another reason why is that although Massachusetts Savings Bank Life Insurance is available online; people who live or work in Massa-
