Listen to Joe Brooks before he dies

When you grow up, you're dead. And everything you do has been done before. Everything you say has been said.

Joe Brooks hasn't grown up yet. His music and his words are new and young and fragile and easily hurt.

He has made an album with Rosko. It's name is "Morning". And it is a whole new way of hearing. It is also terrifyingly beautiful. And sometimes it is so sad and painful that you can hardly stand it.

This kind of thing has never been said before. Or done before. And it is not grown up yet. It is still alive.

Hurry.
