ANNOUNCEMENTS.

* All students should obtain an examination schedule at the Student Center, Room 7-111. Examinations not listed or a conflict in examinations must be reported to the Schedules Office by Wednesday, December 31, 1970.

* The first transcripts of meetings of the MIT Commission are now available in the lobby of Building 7. The transcripts include presentations made by Drs. James Killingsworth, Frank Frowick, and Francis Long.

* All MIT undergraduates are eligible to apply for European Summer Research Fellowships. Information about the program is available in room 5-419. The Fellowships will provide support for study at any European university.

* The Department of Metallurgy and Materials Science will offer a course in Techniques of Metal Surface-Engineering (3.59, 5.40) next term. Interested students should contact Mr. Tony Zona, x5297, room 4-133.

* Copies of Urban Action magazine are available in room W20437, the Urban Action Office in the Student Center.

* Daffodils, tulips, etc. - Help plant them at 10 am Sunday in front of the Student Center.
