In a UAP/UAV race which has generated very little enthusiasm, and which has produced few issues, the campaign has been characterized by one of the most promising candidates who have ever run for student representative. Dresser-Bovarnick retain the support of the student body against Ho Ehrmann.

To the Editor,

I have decided to withdraw from the election for the reasons which I have outlined above. My reasons are several, but the most important is the fact that the student body which I have been representing for the past two years has voted to elect a new student representative.

Mr. Dresser-Bovarnick has been a leader in the student body for the past two years and has received the support of the student body against Ho Ehrmann.

My reasons are several, but the most important is the fact that the student body which I have been representing for the past two years has voted to elect a new student representative.

To be a meaningful, student government must be able to interact with students in an effective manner. This will be accomplished only if students feel they can relate to the student government and their proposals.

Concentrating my support on the UAP/UAV candidacy, I feel that the student body against Ho Ehrmann will be successful in the election. My reasons are several, but the most important is the fact that the student body which I have been representing for the past two years has voted to elect a new student representative.

To be a meaningful, student government must be able to interact with students in an effective manner. This will be accomplished only if students feel they can relate to the student government and their proposals.

Concerning my support for the UAP/UAV candidacy, I feel that the student body against Ho Ehrmann will be successful in the election. My reasons are several, but the most important is the fact that the student body which I have been representing for the past two years has voted to elect a new student representative.
