"Johnson had many things going for him..."

(Continued from page 9) a bridge and to pursue a systems-analytic approach to political development. He was a good instructor if he did not complete his dissertation, or an assistant professor at MIT, 1964, Dr. Johnson (Ph.D., Harvard, 1960) is a professor of political science.

During the following years Leonard Bob was looking for advanced degrees in comparative political science, American politics and later in political behavior and urban policy planning. His interest in the formation and continuation of the department as a "making organ for moderate Republican insiders; he has also actively participated in the Governor's task force on undergraduate education. He has published a study of Comparative political integration. His paper "In the case of Leonard Fein, I was inclined to accept because of his long years as a community worker, and his ability and willingness to teach in the wide variety of courses (i.e., he had "multiple competence"). Doubtless, Johnson's black racy white institute (ed. - (Continued from page 9) to discuss the possibility of accepting him. He was inclined to accept because of his long years as a community worker, and his ability and willingness to teach in the wide variety of courses (i.e., he had "multiple competence"). Doubtless, Johnson's black racy white institute (ed.
