Savings Bank Life Insurance is America's lowest cost life insurance for Ordinary, Endowment, and Renewable Term. That's one reason why.

For example, under the SBLI 5 year Renewable Term Plan, a man of 40 can buy $25,000 in Savings Bank Life Insurance for less than $1,000 a year* at age 25, the cost is less than $75 a year*. This makes it possible to provide extra protection — at lowest cost — at a time when families need it most. In addition, an SBLI 5 year term policy is automatically renewable and convertible to any one of several permanent policies up to age 65, without additional medical examination.

*Average net annual premium for 5 years, based on a 20 year term Savings Bank Life Insurance policy.

S.B.L.I. is 4TH in THE AMOUNT OF ORDINARY LIFE INSURANCE IN FORCE IN MASSACHUSETTS and APPROXIMATELY 140 LIFE INSURANCE COMPANIES LICENSED IN THE STATE.
