Lacrosse team rebounds

So far, the month of May has been beautiful for the varsity lacrosse team. Since May 1, the sticks have been handed to Tripp, Turf, and UConn by combined scores of 44 to 14.

Coming into this game in UConn, we set a season high for scoring in demolishing Trinity, 16-7. As Tufts, and UConn by. combined stickmen have beaten Trinity, the lacrosse team. Since May 1, the attack scored on 9 of only 16 shots, while the midfield added 7 more on 14 shots. Steve Vegler again led scorers with 4 goals and 6 assists, closely followed by Ken Lord with 4 goals and 3 assists, and John Vlitis with one goal and 5 assists. Steve Finn and Bob Vegler had two goals apiece, while Tony Reish, Dave Peterson, and Mike Chruszanski added single tallies. Tufts, 12-4, was much of the same. We poured in 53 shots, and only superb play by the opposing goalie (25 saves) kept the game from turning into a complete rout.

- Defense and Steve Vegler were two factors in the destruction of UConn, particularly the best of the three May victims.

In the third and a half period that he played, goalie Marc Weinberg had nine saves and only two goals against him. He received excellent support from the defense of Bob Powell, Terry Bennett, and Terry Cook. At one time, with Weinberg caught out of the net, Cook moved in and made a save on a Connecticut attackman.
