

**General Builders wants you to take advantage of our ridiculously low prices on a lot of stuff you probably need right now. Like kiln-dried lumber and real genuine bricks and cinder blocks for bookcases . . . or flush doors (which, with four screw-on legs, become great coffee tables, couches, and desks) . . . or any kind of plywood, paneling, brackets, or unpainted furniture your little heart desires. If you build with it, we've got it, so get your passport stamped for North Cambridge and come take a look.**
