Varsity hockey wins four games in row

The MIT hockey team, coming off a disappointing (1-4) month of January, scored their record at 7-7-1 with a 4-1 victory over Assumption College last Friday night. The Techmen have played an extremely tough schedule during the past week, playing four games since last Friday. MIT's leading scorer, senior Bill Barber, ripped in his second hat trick in four games to lead the Bears past the Assumption squad. The other goal was recorded by sophomore Yves Lydon, Theta Chi star, who scored on a power play in the third period.

MIT is closing its season with a late surge, and now has compiled a 4-1-1 winning streak (a term previously lost to the Tech dictionary); they have tied with Brandeis in season, but have the upper hand in the Asso-

The MIT varsity basketball team traveled to Colby College, Waterville, Maine, on Friday night for its final game of the season, and suffered a narrow defeat. The team record, however, stands at 7-7-1, the first winning slate since the 1967-68 campaign.

The pitchers entered an early lead and held a five to ten margin for the first three quarters of the game, including a 37-31 halftime lead. However, the last ten minutes saw the MIT offense score low due to the charging Colby defensive setup, which included a tight man-to

Woman lose closest game
