SPORTS

Harriers remain unbeaten

By Mike Cherette

The undefeated MIT cross-country team thoroughly demolished Coast Guard and Wesleyan, 18:58-79, and raised its record to 7-0. The Techmen took seven out of the first nine places in the 4.7 mile race at the Coast Guard Academy last Saturday.

John Kaufmann '73, Bob Myers '72, and John Bohlayter (of Coast Guard) led the field for most of the race. At the three mile mark, according to Myers, “Bohlayter just disappeared and we never saw him again.” Kaufmann finished first in 23:19, thus giving a good indication of his potential after a slow start earlier in the season. Myers was a close second at 23:27, with Bohlayter finishing 20 seconds later.

Terry Blitzer '73, Craig Lewis '72, and Pete Borden '72 took the next three places in the strong team finish. Chip Kimball '72 and Rich Goldman '72 finished eighth and ninth respectively at 23:31 and 23:32.

The junior varsity team overwhelmed Coast Guard, 21-31, over an unusually long 3.3 mile course. Lynn Davison '75 took first with a fine 21:55 effort, followed by Sue Keith '76 and Lee Stevens '75. Freshmen Bill Koz-

man, Don Snowbery, and Roy Sklar nearly matched the MIT scoring.

The Techmen will compete against Boston College at Franklin Park today at 4 p.m. The race should be close between the two teams, as BC shut out MIT last year by taking the first seven places.

The results were:

Polo record stands 3-1 after Yale Invitational

This past weekend, the MIT water polo team extended its record to 3-1 as it travelled to Trumbull for the Yale Invitational Tournament. The poohits had opened the season last Weds-

day with a runaway victory over Phillips Academy Holder, 27-5. Last weekend winners in the 3-1 victory over Yale.

At New Haven, MIT got

started in a poor way, having to play top-seeded West Point in the first game. As MIT had underes-

stood, the Techmen played very well through the first half, they

"couldn't hold on at the strong

Army team pulled away to win 17-2. An interesting highlight in the Army game was two blocked penalty shots, one of them by MIT's goals, Jim Kozlo, 72, in the third quarter.

The engineers rebounded in their next game and stunned Catholic University 20-6, as the Eagles were played excellently. Everyone had a hand in the scoring, but junior Ed

Kawasaki led the way with six goals.

For the final game of the tournament, MIT played a home game against Brown University, an old rival, and next weekend they travel to Army for the Army Tournament.

At this point, MIT is playing without the services of Co-captain and last year's leading scorer, Steve Sanders. Sanders suffered a knee injury before the opening game and has had to sit out thus far. Hopefully, he will be able to return to the team for the Army Tournament.

All around, the team looks to be better than with all twelve of last year's lettermen returning among them three All-New Eng-

land first team players: Sanders, James, and Rosi. The starting team of Sanders, James, Davis Rose '74, Pete Solberg '74, Al Grofman '71, and Kawasaki will be able to return together last season. Their team game is thus that much stronger.

The Brown game should be interesting, at archival coach Ed Reed. (Formerly of Tech) has been subbed at head coaching position at Brown and with, the team will be available, he has to be able to throw his many defects at the head of the game. The game will be played at 5:30 pm tomorrow in Alumna Pool.
