During the Plymouth Relays at Plymouth, N.H., two weeks ago, varsity ski team captain Lew Jester '72 set a record in two races and two practice sessions. Good thing Lew is also varsity manager, so the rest of the team could have the day off.

The top five teams of the meet were: New England, 336.0, MIT 364.3, Franklin Pierce 345.4, Norwich 339.0, and Plymouth 337.2-in conventional and 1901 in the international target. Good thing there was the national individual international record with a 274 in that match. Other top scorers on the undefeated pistol varsity team were captain Bob Gibson '72 (844), Ted Ronguegger '72 (842), and Tom Williams '74 (858).

All American John Good '72 Staats set a record-setting win over Boston U. last Saturday. MIT's new records are 3372-in conventional and 1901 in the international target. Good thing the number of teams thought of MIT.

The MIT team had been extremely successful in the past. In 1970, L.M. Chiu (now playing for the U.S. team) and C. Chan captured the National Intercollegiate Title. In 1971, C. Jee and J. Lee placed second in the National Intercollegiate Team Tournament.

The Big League will meet in the Varsity Club Lounge on Tuesday, Feb. 15, to elect a new chairman and secretary. New managers for the following season also will select: rifle, sailing, soccer, softball, and track teams.
